Summer/Fall 2016

Dear Friend,

The World Association of Girl Guides and Girl Scouts (WAGGGS) is the largest voluntary organization for girls and young women in the world. With more than 100 years of experience, WAGGGS enables over 10 million girls and young women in 146 countries to develop their full potential as responsible citizens of the world. Through innovative education and advocacy programs, Girl Guides and Girl Scouts worldwide learn about issues affecting their communities and are empowered to speak out and take action.

Girls and young women need the chance to gain skills and confidence to develop as leaders. WAGGGS provides girls with the opportunity to participate in national, regional, and international events, allowing them to develop and practice leadership skills. Girls learn about and take action on issues that affect them, and have a forum to speak up and be heard through programs that WAGGGS supports.

Thanks to donors, the Tanzania Girl Guide Association and family, Magdalene Anthony Utouh was able to represent Tanzania at the Juliette Low Seminar 2016 held at Kusafiri, the African World Center. Through this experience, Magdalene has learned the value of using her leadership skills and how they can help change the world. If you have donated to the World Foundation with an interest in Friends of WAGGGS USA in the past, you helped send Magdalene and others like her to the Juliette Low Seminar, one of two WAGGGS flagship events for leadership development.

Donations from Friends like you allow the World Foundation to continue to make these types of experiences happen through grants to WAGGGS which provide opportunities for leadership development at a Juliette Low Seminar. Your donations may be made in either of these ways:

- **By check** payable to the **World Foundation for Girl Guides and Girl Scouts, Inc.** which should be returned in the enclosed envelope.
- **Online** using a credit card by going to **www.worldfoundationgggs.org** and clicking on the Donate Now button.

On behalf of the ten million girls we serve, thank you for your support and partnership in this critical work.
