Spring/Summer 2017

The stage is set!

Sangam World Centre has just completed a very successful 50th anniversary celebration year. After more than three years of preparation, hundreds of visitors and guests enjoyed upgraded accommodations, inspirational programs, a refreshing pool, a new yoga/wellness room, lush landscaping, and nourishing, local cuisine from an updated kitchen.

Sangam has never looked so good or provided such impactful experiences for girls around the world.

We credit this success to creative and careful leadership coupled with strategic planning and budgeting over the past few years. But what has really made the difference are the generous gifts from donors like you.

Now, let's focus . . .

. . . on enabling young women to experience this wonderful and inspiring place.

There are many young women in every corner of the world who would benefit from the globally-oriented leadership and advocacy training Sangam provides. However, many deserving young women of promising potential will never have that opportunity due to cost. For a 10-day visit, expenses can run upwards of two thousand dollars for invaluable programming, accommodations and travel expenses.

Look at a young woman's Sangam experience as a life-changing investment in her future. But not just hers alone. These young women return from Sangam with skills and tools to benefit their entire communities. Your gift directly impacts these young women but the ripple effect reaches far and wide.

A Role You Can Play . . .

Please consider a generous tax-deductible gift to the World Foundation, earmarked for Sangam. No amount is too small. Be assured that every dollar is valued and well-spent and will help keep Sangam providing services that greatly impact the lives of girls, young women and international visitors like you.

Through scholarships and travel grants, participants will use Sangam and India as their laboratory while they focus on developing valuable leadership and advocacy skills, enabling them to change their world.

Please send your tax-deductible gift to the World Foundation for Girl Guides and Girl Scouts, Inc. in the enclosed envelope, indicating your interest in Sangam. Or, make your donation through the World Foundation website: worldfoundationgggs.org; choose "Interest in Sangam" as your Program Designation. On behalf of all those who will benefit from your generosity, heartfelt thanks.
