

# World Centers

**Purpose:** to learn some facts about the World Centers

**Equipment:** One set of World Center Symbols for each patrol or team.

One chair for each patrol placed in the center of the room facing the team

A set of World Center cards are placed on each chair

Each team or patrol sits in a particular area of the room. The teams count off so that each member has a number.

The leader calls out an item associated with one of the World Centers and a number. The girls whose number are called runs to the chair where the symbols are located for her patrol and finds the World Center it best represents, and holds up the card. The teams are given a point for the correct answer.

The game continues until all the items have been called.
