Winter 2014-2015

Dear Friend,

“The future belongs to those who believe in the beauty of their dreams” - Eleanor Roosevelt

Putting the dreams of girls into action is what the World Association of Girl Guides and Girl Scouts (WAGGGS) prides itself on accomplishing. For over a century, Girl Guides and Girl Scouts have provided opportunities for girls to develop into young women by developing their leadership skills and helping them take action on a worldwide level.

Travel to international destinations has been an integral part of the WAGGGS programs. Pax Lodge, located in London is one of the four World Centers of Girl Guides and Girl Scouts and is the number one World Center visited by girls from around the globe. Pax Lodge has opened its doors to thousands for accommodations, seminars and training sessions. This is where the international sisterhood of Girl Guides and Girl Scouts meet to foster their leadership skills. Edith Chukwu, a program volunteer from Nigeria, said “Pax Lodge helped develop my potential and the ability to discover and challenge myself in so many new ways. It was a dream come true.”

Your gift allows the World Foundation for Girl Guides and Girl Scouts, Inc., a 501 (c) (3) corporation, to allocate grants for scholarships, special programs, and facility needs to the World Centers. We invite you to join us in our global effort to empower girls and young women to become world leaders. There are many ways for you to take action and unite in spirit with ten million girls as one voice.
