## Four World Centres Game

Give each person one of the cards, then ask everyone to find the other people in their group. Each group should have:

1. The name of a World Centre;
2. The location of that World Centre;
3. The year the World Centre was opened;
4. "hello" in the language of that World Centre's location;
5. The name of the country in which the World Centre is located;
6. The national flag of that country;
7. An activity you can do at that World Centre; and
8. A food that you can eat at that World Centre.

There will be more than one group for each Centre!
